Bradwell Group were proud to partner with Fleetwood Australia to produce 210 x Modular prison cells as part of the Justice Infrastructure project in 2017. Then a further 692 x cells in 2020

A successful program that supplied cells to Silverwater, Junee, Cessnock, and Kempsey.

Cells have 2 x designs a single bed and a double bed both with a shower and toilet.

They have a bunker light over each bench and 1 x ceiling light, 2 x double GPO's, also 2 x data points and a TV point in each cell.
